Letter no. 106 D/ 12 9 1912

Recommends that the Lingayat
matt at Sagar may be registered
as a murg. inst^{it} and that the Cash
inam of Rs 40-15-0 originally enjoyed
by the Hire matt at Nagar, may
be transferred to it.

The Dy Commr's report clearly explains
the facts of the case.

From the Inam register, it will be
observed that the Hire matt at Nagar
was originally in the enjoyment of a
Cash inam of Rs 40-15-0 per annum,
and that as the old matt was not in good
order and as the object of the grant
was not fulfilled, the inam was
ordered to be resumed from 1st Jan'y 44.
In col 14, it is also said as
follows:— "If it is put in repairs

fulfilled, I (The Inam Supdt.) will submit the case to the Inam Comm^y for consideration. It is said that there are two Lingayat houses at Nagar who have expressed their inability to restore the original building. At a cost of ^{nearly} Rs 1600, a matt building at ^{Sagar} Nagar known as this matt has been built. The Swamy is anxious to provide religious and moral education for the Lingayats and to provide for the boarding of Lingayat students and requests that the said cash inam may be transferred to this matt. The Lingayats of Nagar have no objection to this and the Sub Div^l officer who has seen the instrⁿ recommends the prayer of the Swamy for favorable consideration. The Dy Comm^r who has also seen the new matt reports that Sagar is a rising town of importance in the malnad. The instrⁿ started by the Lingayat Community at this place for a charitable and public purpose, especially for the religious edⁿ.

II

There was a petition from the ryots of the Nagar Tq praying that the *inam* in question should not be transferred to the matt at Sagar and this had been forwarded for disposal. The Dy. Comm^r states that this is an anonymous petition which does not call for any notice.

Apparently the Sagar *insh* is a new one unconnected with any established matt. Why should the *tasdik* attached to another matt be transferred to it. Is there any precedent apart from the *temple tasdik* where matt *tasdik* would appear (stand) on a different footing

As regards query No I, it is respectfully submitted that the Gurus of the Hire matt at Keladi pray for the transfer of the Tasoik with a view to educate the Lingayets, and to meet the cost of Deeparadhane in the new matt at Sagar and says that the old Nagar matt belongs to his Math (In the anonymous petition it is said that the Nagarada Hire matt belongs to Balahalli ^{seet} Branch, ~~off~~ and Keladi Hire matt, to Kasi ^{seet} Branch of the Lingayet Community and the two institutions are entirely different from each other)

There does not seem to be (so far I am aware of) any precedent in support of the transfer of the ~~math~~ ^{monast} & gurus of one matt to another matt. (In brief) for under-

submit the case to the Inam Comm-^{tee} for
"consideration". Under Exhaust of Inam Reg.

The matt fell into a state of utter
dilapidation so much so ~~that~~ there
is not even a trace of it now. There
are only 2 hingayat houses at Nagar.

The hingayats at Nagar have built
a matt for themselves. there at a large
cost, the Swami of the matt being anxious
to provide for the boarding of hingayat students.
The hingayat residents at Nagar are
agreeable to the Cash Inam of their late
matt at Nagar being transferred to this
new matt at Nagar which has been
started for a charitable & public purpose
for the religious Education of hingayats.

There are no precedents for
transfer of one matt being transferred
to another. Even this the two matts
are of the same persuasion & situated
in the same District.

If the Govt are pleased to sanction
this transfer, it will ~~cost~~ amount to
a fresh grant, as ^{the grant} ~~it~~ was resumed
in 1874-~~1875~~ all the Local Officers
recommend favorable consideration
being taken of the case -

A cash grant of Rs 40-15-0 which the
Hire matt at Sagar was enjoying was resumed
to Government at the Indur Settlement from 1st
January 1874 as the object of the grant had
not been fulfilled. The Sagar Matt is a new
institution lately built by Sagar people and has
no connection with the Sagar Matt of any cash
grant sanctioned to the Sagar Matt, it will
be a fresh income and, as such, it is for the Govt.
of His Highness the Maharaja to sanction any
fresh grant or not to this institution. As the
cash grant of the Sagar Hire matt was resumed to
Government so long ago as 1874 and not in
existence since then, there can be no transfer of
Jardik from one Taluk to another.

Office of the Deputy Commissioner,
Shimoga District,
Dated Shimoga, 12th September 1912.

From

K. Srinivasa Row Esq.,
Deputy Commissioner,
Shimoga District.

To K.R.Srinivasa Iyengar, Esquire, M.A.
Offr. Secretary
to the Government of Mysore,
Muzrai Department, Bangalore.

Sir,

With reference to your memorandum No. 2591-Muz. 475-1

7 forwarding for report a petition from Revanasiddaswami of Hire Matt at Sagar praying for the grant of the cash inam originally enjoyed by the Hire Matt at Nagar, I have the honor to state the latter Matt was originally in the enjoyment of a cash Ina
y of Rs. 40-15-0 per annum which was resumed at the time of the Settlement as the Matt building was in disrepair and services not duly performed therein (vide copy of the Register of Read money grants, ferist No. 4.)

2. I have seen the Hirematt building at Nagar. The building is now in ruins. There is no trace of the building c tting the baseme and a few pillars. There are two Ling residents thereof have expressed in th

of 11-2-1912 before the Amildar of Nagar Taluk their inability to restore the original building. They have also agreed to the transfer of the Inam originally enjoyed by the Hirematt at Nagar to the Lingayet Matt at Sagar. There is no likelihood of Nagar being again populated by a large number of Lingayets in its present condition.

3. The Matt building at Sagar is a recent structure built at a cost of nearly Rs. 1600. The Swami is anxious to provide religious and moral education for the Lingayets and to provide for the boarding of Lingayet students, (vide his statement on 31-3-1912 before the Amildar of Sagar Taluk, ferist No.11). The Swami has also expressed his willingness to render proper accounts for the income and expenditure of the institution.

4. Sagar is a ^{large} raising ~~town~~ of importance in the Malnad. The institution started by the Lingayet community at this place for a charitable and public purpose, especially for the religious education of Lingayets, deserves special encouragement. The Sub-Division Officer of Sagar who has seen the institution recommends the prayer of the Swami for favourable consideration.

5. Under the foregoing circumstances I would recommend that the Lingayet Matt at Sagar may be registered as a Muzrai Institution and that the cash Inam of Rs. 40-15-0 originally enjoyed by

the

the Hirematt at Nagar may be transferred to it.

6. The vernacular records ending with the Sagar Sub-Division Officer's yadi No.843 dated 17-4-1912 accompany for reference and obliging return.

7. The anonymous petition received with your memorandum No. 2469-Muz.106-11-15 dated 24-4-1912 (ferist No.15) does not call for any notice.

I have the honor to be,

Sir,
